We wish to express gratitude to:

Catherine Candler Atkinson

Lillie Keim Beebe

Lilla Mills Hawes

Adele Hollingsworth Risley,
Registrar 1952-1955

Katharine Hartridge Strong

for the many hours they gave toward the making of this book.

These members of the committee join us in appreciation of the exacting work of Elsie Chisholm McIver, who, as Registrar for sixteen years, kept the records on which most of the Supplement to the Register of 1937 is based.

They support us also in endorsing the opinion of Mr. Winston Broadfoot, Genealogist of the North Carolina Society, as expressed in a letter recently received from him: "We claim no perfection for the list . . . A candidate may not cite the Register as proof of service for the ancestor . . . It is meant as a suggestion and nothing more. One who selects an ancestor listed must still prove, by competent authority the service."

Every available source has been checked in an effort to avoid mistakes. If any are found, kindly inform the Registrar.

Emily Guerard Ravenel, Registrar
Julia Eve Strong, Genealogist.
